## **Windows**

There has been some renewed interest in the window project and we think it's a good time to make a push to finish the last few. There are two in the well-travelled hallway to the right of the stage that we'd especially like to replace, and also one in the West Street entrance.

We want to stress that we don't want anyone to donate to this project in lieu of their usual givings. It's important to keep the budget up. But if you are able to give a bit more than usual and would like to see it go to a specific project, please consider a donation to the window fund.

**\$200, \$500, \$1000, \$2000** or more – it all helps. As before, we'll put up small window plaques for the larger donations.

Please make your cheques out to First United Church, and add **Windows** to the memo line.

## **The Food Bank Network Thanksgiving Day Food Drive**

Food and monetary donations we receive this Thanksgiving will help feed families between now and Christmas. We are helping approximately 193 families each month. Please donate nonperishable food items to your child's upcoming school food drive, at your church, at any local community fundraiser, or in the food collection bin located in the major grocery stores. Thank you.
