

## First United Announcements

The **Men's Club** plans to hold a **garage sale** on Saturday, **May 11**. If you're doing any Spring cleaning in the next 5 weeks, we might be able to take some things off your hands. Items can be dropped off at the church's lower hall the week prior to the sale. Unfortunately, we cannot accept large appliances, televisions, or tires. Thank you.

The Men's Club is having a big breakfast on Saturday, May 4 at 10 am. \$12. All the men are encouraged to join us for this event.

The Men's Club is holding a dinner on Thursday, **May 23**. We're planning for stuffed chicken, potatoes, veggies, tea, coffee and dessert. \$18. **We're extending a special invitation to the Humber Men to join us.**

**Note:** Whether on DVD or streaming, most folks probably have access to the movie **Casablanca**. Please try to watch it sometime this week.
